## GIVE A GIFT...

THAT REFLECTS THE TRUE MEANING OF CHRISTMAS

Buy a Jerrycan of jet fuel!

First of all, we would like to wish you a wonderful Christmas! With so much bad news in the media, isn't it great to be a part of something positive and life-changing? Like you, I love to know that I can be a part of helping bring hope and healing to people around the world. We currently have three Candidates progressing towards serving with MAF overseas. We have started *MAFTRACK*, a pathway to mentor young pilots towards a career with MAF. And, by all working together, we have been able to help fly Plumpy Nuts nutrition paste to hundreds of hungry families in South Sudan, transport medical safaris to remote villages in Tanzania and assist in the healing of conjoined twins. And more recently, we were able to help MAF's emergency response to the earthquake in PNG. Yes, 2018 has been a fantastic year!

**But to keep all these flights going, we need fuel!**

Each year at Christmas, people all over New Zealand buy "Jerrycans of jet fuel" to keep our planes flying. Are you tired of toys that are broken by Boxing Day? Would you like to celebrate Christmas by helping to bring the Christmas message to isolated people around the world? You can be sure that in God's hands your gift of jet fuel will be multiplied in ways that you could never imagine!
