

First, decide if you want to give the traditional red jerrycan card, or the new blue card (on the next page). Print the cards below on your home printer, cut around dotted lines, write your message inside—and surprise your friends and family with this special gift!

Dear \_\_\_\_\_

This Christmas I have gifted  
\_\_\_\_\_ Jerrycans of Jetfuel to  
MAF on your behalf.  
This gift will help keep MAF  
planes Flying for Life!

**Merry Christmas!**

Your Jerrycan of Fuel...  
could change a life. Without MAF, many  
of those who live in the most inaccessible  
corners of the world would not know the  
joy and hope of the Christmas story.
