

The MAF New Zealand team would like to wish you a wonderful Christmas and say, "thank you" for being a part of everything that God has done through MAF in 2022! We pray that you will have a refreshing time over the holiday season.

When most of us think of Christmas we think of lights. Lights on houses, in the high street, shop windows and on Christmas trees. Light of course represents the coming of light into the world when Jesus was born.

Matthew 4:16, says, "the people dwelling in darkness have seen a great light, and for those dwelling in the region and shadow of death, on them a light has dawned"

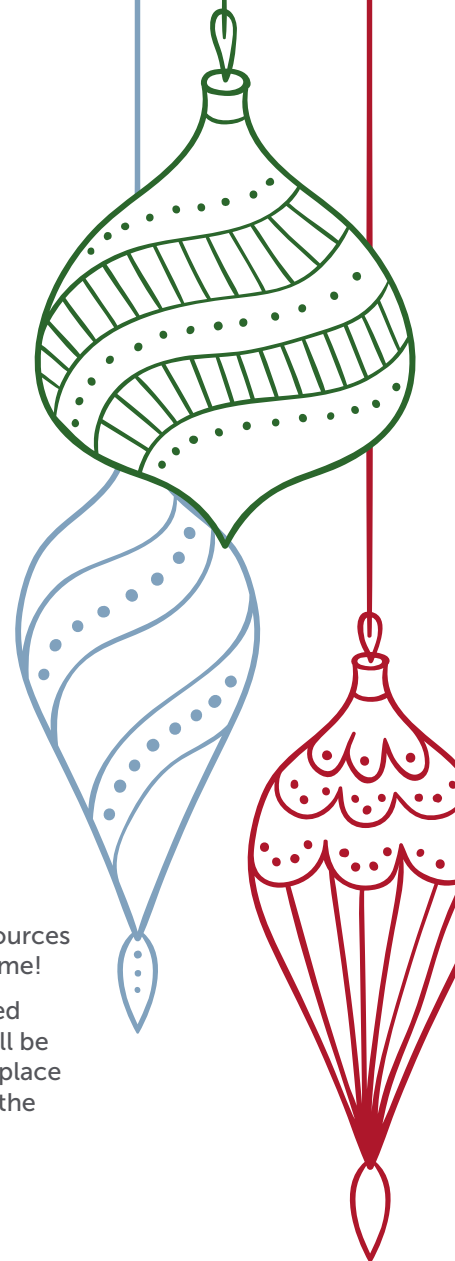

In John 8:12 we read, "When Jesus spoke again to the people, he said, "I am the light of the world. Whoever follows me will never walk in darkness but will have the light of life".

In the 27 countries where MAF flies, we have been able to bring the light of Jesus to those who have never met Him. Our 130 aircraft enable churches, mission teams, Christian doctors, teachers and missionaries to reach the places that God has called them to be.

Together we helped bring light into West African nation of Guinea. For the eleven million people who live there, MAF will provide

access to medicine, education and Christian resources and have a positive impact for generations to come!

With the help of many, we have almost completed renovating the Kendon-Strong MAF Centre! It will be the "hub" for all our future work and activities, a place to equip and send "mission-ready" staff to bring the light to remote communities.

Are you tired of giving gifts that are either broken by the end of Christmas day or returned on Boxing Day?

This Christmas you can help bring light into a world darkened by conflict, isolation and fear. A \$40 "Jerry can of Jet Fuel" will allow MAF to make a flight that could bring hope, healing and the light of the Gospel to a remote community.

Over 2000 years after the birth of Christ, millions of people across the world still haven't experienced the "light of life." Today our flights are more urgently needed than ever. But without fuel we can't get far!

**Your donation of \$40, \$80, \$120 or even more will keep MAF's life-changing flights going!**

## It's as easy as 1, 2, 3...

1. Decide how many Jerrycans you would like to give this Christmas. (Each Jerrycan of jet fuel costs \$40.)

2. Make your gift by filling in the coupon below and returning it to us ... or go to the "donate" page of our website: **www.maf.org.nz** to buy your Jerrycan gift online!

3. Give your friends and family their Jerrycan Christmas card — and tell them about the life-changing aircraft fuel you have donated in their name! (Your donation is tax deductible through the Flying for Life Charitable Trust.)

We have included a 2023 calendar as a special gift of appreciation to you! On the coupon below you can request additional calendars for \$12 each (incl. postage).
